

# Photos & Videography

## Photos and Videography

Individual and group photos will be taken by Lynnea Brown Photography at the studio during Photo/Dress Rehearsal Week, Saturday 4/27-Thursday 5/2. Please refer to Photo Week schedule on the recital page.

No flash photography allowed! Flash photography is dangerous and distracting to the dancers on stage. We work with 3 local small businesses to provide high quality photo and video memories of your dancers. We encourage you to enjoy the show and leave the photos and videos to these talented professionals.

Professional performance photography will be taken by J. Pike. Professional videography will be provided by Big Win Media. Pictures and videos will be available for purchase in packages or ala cart from the recital page.
